Brand New Book ***** Print on Demand *****.Excerpt from For Manufacturers, Inventors, and Others: Answer to Various Questions About Patent Office Practice and Parents For convenience in answering the inquiries of correspondents, various suggestions in condensed form and of practical character respecting patent rights, inventions, applications, c., have been embodied in the following pages. Those who have valuable inventions or propose to acquire interest in such inventions or in patent rights, or who have either to prosecute or defend patent suits, should proceed intelligently and according to law, and thereby avoid danger of loss. It is impossible to do more within the compass of these pages than suggest a few rules and principles and a few dangers and necessary precautions. This will be understood, and also that in patent matters, as in all important business involving special knowledge, qualified agents or trained experts, worthy of entire confidence, should be consulted in particular cases. Patentable Subjects. New and useful improvements in a machine, article, or art (process or method), new and useful compositions of matter, and new and useful ornamental designs or forms for an article of manufacture, and impressions, patterns, prints, or pictures to be wrought into such article, are patentable. Length Of Term And Cost Of Patents. Inventions in mechanical devices, in processes, and in compositions are patentable for a term of seventeen years.
