Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1920 Excerpt: .they gain in testing: -work, testmen, who have completed a four-year college course, or equivalent, with ii. i? degree, and who wish to cantnm. their electrical education from Uie theoretical standpoint, can obtain their advanced Master s degree at Union College. The company refunds over 50 , . of Uie matricuiatiari and tuition fee to those who have secured then degree The classes are held on the company s time, tnus enabLmr. the testman to get full pay. This pest graduate wort is a two-year course and consists largely of lectures ami demonstrations although numerous problems are.giver. for home work. Union College also offers evening courses ir a large number of college subjects, such as eiecmcai engrneenng. mathematics, economics, philosophy, etc. These courses with others offered by the company to its employees give the testman a good opportunity to add to his technics: anc business education. For those testmen who prefer commercial work, the Testing.Department has xi business-training course. In this course, a testman is giveii three month of intensive training in corporation organization and business methods while being paid just Uie same as for work in the shops. These facilities for further study along commercial and technical lines, offered by both the company and TJnian College, and the practical training offered by the Test Course, present an exceptional opportunity to the engineering graduate just entering upon his caTeer. ThiF practical training and close contact with the newest develnments in the electrical world make the Testing...
