John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Embrace the Infinite: The Science of Spirituality, Anthony Mannucci, Has the modern scientific world robbed our lives of a deeper sense of meaning and purpose? Has science rendered God irrelevant? Or can science actually bring us towards a deeper spiritual understanding and a greater sense of joy in our daily lives? Space scientist and physicist Anthony Mannucci explores these questions from a unique point of view. He begins by stating the obvious: everyone wants a sense of purpose and meaning to their lives. How to achieve it? Dr. Mannucci's narrative takes us down a path where science is a starting point for something deeper. He reveals an Absolute Truth that is central to science and to our nature as spiritual beings. Dr. Mannucci expertly explains the power and the limitations of science. He reveals that science and spirituality are not distant cousins but in fact share a bond. What follows is an exploration of mind, and how exploring the nature of mind leads us to a deeper appreciation of our spiritual nature. Dr. Mannucci shows how the right words and ideas can change your life. In concluding the book, Dr. Mannucci discusses the importance of mystery and awe, two emotions familiar to every scientist. You will find the ideas in this book original and refreshing, conveying a message of hope and joy. Those who embrace these words will not regret their decision.
