Brand New Book ***** Print on Demand *****.Excerpt from Special Report of the Board of Tax Commissioners, Made to the Governor, on New Sources of Revenue, January 1, 1916 In compliance with the request of your Excellency transmitted to this Board September 29th, 1915, the following is respectfully submitted: Means for Raising Revenue. There are two means by which the revenue of the state may be readily increased. The first and more important is the development of new sources of revenue; the second is by an increase in the rates of taxation on property already assessed, or an increase in franchise taxes, license fees and other charges made by the state for service or privilege. The manifest advantage in supplying additional revenue by the development of new sources is that it results in a wider distribution of the burden of taxation, thus tending to equalization, and minimizes, or may relieve entirely, the necessity of increasing rates on property or privilege which is and has been contributing to the support of the state, to which the taxpayers have become accustomed and to which they have...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
