Head of Zeus. Paperback. Book Condition: new. BRAND NEW, Justice for the Damned, Ben Cheetham, The fast-paced and hard-hitting sequel to ANGEL OF DEATH. Thirty years of fear. Thirty years of closed minds. It is all about to change. A Sheffield prostitute has disappeared. With no family to fight for her, she's just the latest in a long line of missing girls stretching back three decades. Nobody cares about their names. Nobody remembers their faces. They are the unloved, the damaged, the forgotten, the damned. Amongst the women working South Yorkshire's streets, rumours of a serial killer have long circulated. But the police's top brass don't want to know about it. Talk of serial killers panics the public and embarrasses the department. But two very different detectives, each driven by their own dangerous obsessions, are being drawn into a murky world of perversion, murder and corruption that stretches from the streets to the corridors of power.
