TRADING WITH CONFLUENCE: A RISK-BASED APPROACH TO TRADING EQUITY INDEX FUTURES

Paperback. Book Condition: New. Paperback. 205 pages. Ready-To-Use Strategies for the Novice Trader No one ever plans on losing in trading, especially when it looks so easy. There is so much information available to traders today, but the fact remains that 90 of all traders lose money or quit the business. Why is this Trading With Confluence takes a different approach to grooming the beginning and intermediate trader by focusing and managing risk. This risk-based approach allows for the trader to have a winning edge on each trade and to assure proper management of their overall trading business. I have had many traders coming to me frustrated about their lack of consistency in their results. The author takes the average trader by the hand and helps them develop their personalized trading plan and risk assessment. Then you will learn how to use your trade journal information to perform your own self-assessment allowing you to improve your trading results. The book contains actual trade setup opportunities using the e-mini futures and sample templates to help guide you towards success. Its like having your own coach at your fingertips! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
