A Scientific Tafsir of Quranic Verses Interplay of Faith and Science

By Dr Muneer Al-Ali

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 282 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. This study is a scientific discussion of faith without trying to enable victory of faith on naturalism or science. Naturally, on discussing faith one cannot escape the argument regarding the existence of the Supreme Being. Divine books had foretold the information that science has proved, so they have added a spiritual ethos to science. This study is not advocating a specific religion and will not delve into matters of religious nature. Moreover, it demonstrates to the already believers that faith is tangible, not visionary or priggish thus helps augmenting their faith. Scientists have discovered the laws which govern the wondrous work of God by asking questions and trying to find answers. Prophets prior to Gods revelation and prophet-hood were as curious as scientists and kept asking similar questions which were largely about creation. However, thousands of years later, scientists and clerics are equally passionate to unravel the intricacies of the creation. Islam is the youngest of the monotheistic Abrahamic religions, six centuries after Christianity and in common with them in promoting the idea that there is but one divine Creator;...
