

A Word Finally Spoken: Life Is Preparation for the Final Performance

By Martann

WestBow Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Life has its way of dictating to us a direction that may not be best. The dictation comes from expected participation in society and our experiences. The best life direction has to include God's divine plan for our certainty of peace and happiness. Most do not see or realize God's plan until a series of mistakes open doors to true reality. Two such individuals experienced this life-changing direction at an unexpected time during the winter years of their lives. The prose within tells of this direction and their findings. Although not searching or seeking, life's circumstances directed each of them on a path always desired, yet never attained until each stopped trying themselves, and allowed God's true direction to lead. This poetry will inspire the reader for years to come. Its reality of finding real love in the winter years of life is truly refreshing. - Mattie Hughes, Teacher.
