Outskirts Press, United States, 2010. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Within these pages, you will read simple thoughts and ideas which you have always known, but, I hope they are written so profoundly, that you would say, Wow, I never looked at it that way. As you read, each key will open up new insight into men, who they are and how they think. The seven keys are to be used by women over and over again to enter into a man's world. Without these keys you are on the outside looking in. With the keys you are on the inside looking out. It is his world, through his eyes. Hostility and misunderstanding are minimized when women get a glimpse inside the mind of a man. Women say that men are strange and hard to understand. Men are not as strange as some would want to make us out to be. We are not as hard to understand, or to please, as some frustrate themselves over. Men are just different. Men are constantly bombarded with sights and encounters with women that cause them to be turned on daily. While a woman may become excited sexually if she is attracted to a man, a man can become sexually excited just at the thought of sex or the sight of a nakedly clad female, even though she is a total stranger. Another difference is how we view children and our spouse. Most women are strongly attached to their children, so much so, that children fall high on the pecking order when it comes to getting a woman's attention, time and adoration. The relationship between mother and child is close. For some men it appears differently. A man...
