Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Antigone: Oedipus the King; Electra: WITH Oedipus the King: AND Electra, Sophocles, H. D. F. Kitto, Edith Hall, Love and loyalty, hatred and revenge, fear, deprivation, and political ambition: these are the motives which thrust the characters portrayed in these three Sophoclean masterpieces on to their collision course with catastrophe. Recognized in his own day as perhaps the greatest of the Greek tragedians, Sophocles' reputation has remained undimmed for two and a half thousand years. His greatest innovation in the tragic medium was his development of a central tragic figure, faced with a test of will and character, risking obloquy and death rather than compromise his or her principles: it is striking that Antigone and Electra both have a woman as their intransigent 'hero'. Antigone dies rather neglect her duty to her family, Oedipus' determination to save his city results in the horrific discovery that he has committed both incest and parricide, and Electra's unrelenting anger at her mother and her lover keeps her in servitude and despair. These vivid translations combine elegance and modernity, and are remarkable for their lucidity and accuracy. Their sonorous diction, economy, and sensitivity to the varied metres and modes of the original musical delivery make them equally suitable for reading or theatrical performance. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
