It s All Good: A Spiritual Walk (and Roll)

By Sally Jean Stone

Precious Package Publishing, United States, 2009. Paperback. Book Condition: New. 216 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.After awakening from a horrible nightmare about her legs being paralyzed the author feels relief because it was just a bad dream--until her eyes focused on the wheelchair next to her bed. Sally s story takes you on a journey where she confronts a doctor who thinks her physical problems are all in her head, a boss who thinks she s no longer dependable, and a less than desirable surgical outcome. Rather than have these negative experiences embitter her she chose, instead, to use these experiences to better understand and strengthen herself and to appreciate the goodness that remained in the world around her. Sally encountered ordinary people who unexpectedly displayed great kindness and compassion and these ultimately affected her more deeply than did the injuries and injustices of her medical experiences. But most of all it is her growing spirituality and her conversations with God that lead to a deeper and more productive understanding and acceptance of her life. Her story is written in both a serious and humorous vein.
