Brand New Book ***** Print on Demand *****.Excerpt from The Invertebrate Fauna of the Firth of Forth During the Session 1880-81 we communicated to the Royal Physical Society of Edinburgh a series of papers, in which an attempt was made to catalogue the Invertebrata of the Firth of Forth. While these were being printed for the Society, it was suggested that the lists should appear in a separate form, and the Council have sanctioned their publication before the appearance of the sixth volume of the Proceedings, in which they will be printed. We have to thank the Society for this permission, and we are especially indebted to its accomplished secretary, Mr Robert Gray, F.R.S.E., who has, both in his official capacity and as our friend, in many ways forwarded our wishes. When we began this work, it was intended that the lists should comprise only the results of our own collecting and dredging, but we soon found that if they were to be of general use to the student they must include the results of previous work, of which we have accordingly availed ourselves...
