

## Titanic Survivor (Special Centennial Edition)

Filesize: 3.95 MB

### ***Reviews***

*Complete guideline for ebook lovers. Better then never, though i am quite late in start reading this one. Its been printed in an remarkably simple way in fact it is only right after i finished reading this book through which in fact transformed me, alter the way in my opinion.*

## TITANIC SURVIVOR (SPECIAL CENTENNIAL EDITION)

Rowman & Littlefield. Paperback. Book Condition: new. BRAND NEW, Titanic Survivor (Special Centennial Edition), Violet Jessop, John Maxtone-Graham, John Maxtone-Graham, Violet Jessop's life is an inspiring story of survival. Born in 1887 in Argentina, the eldest child of Irish immigrants, at the age of 21 she became the breadwinner for her widowed mother and five siblings when she commenced a career as a stewardess and nurse on some of the most famous ocean going vessels of the day. Throughout her 40 year time at sea she survived an unbelievable series of events including the sinking of the TITANIC. "One awful moment of empty, misty blackness enveloped us in its loneliness, then an unforgettable, agonizing cry went up from 1500 despairing throats, a long wail and then silence and our tiny craft tossing about at the mercy of the ice field." For most people one sinking would be enough. But four years later Violet, now a nurse with the British Red Cross, was on board the World War I hospital ship BRITANNIC when it struck a mine and sank to the bottom of the Aegean. To her, this disaster was even more horrifying-- "Just as life seeming nothing but a whirling, choking ache, I rose to the light of day, my nose barely above the little lapping waves. I opened my eyes on an indescribable scene of slaughter, which made me shut them again to keep it out." By the end of her story we have met a woman who could handle whatever life threw at her with determination and good humor. She knew that only by her own strength of character would she survive. But Titanic Survivor is much more. A unique autobiography for those who want to know how it really felt, a story that could be told...
