Brand New Book ***** Print on Demand *****.Even though training takes up a considerable amount of our time; we do it to fulfill the goals that we have. We train to get a job, play a sport, enjoy a hobby or build up our body to be stronger and healthier. Once some people become a Christian, they don't feel that they need to do anything but attend church each Sunday. The Play, Train Up!, involves people stating how they want to grow in Christ and how they must put forth the effort to train up for glory. Therefore, the amount of time that they spend on training for other things should be equal to or more time spent training as a disciple of Christ.
