SPEED BUMPS ON THE ROAD TO INTIMACY WITH GOD

Xulon Press, United States, 2014. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Communication is foundational to any healthy relationship. This is especially true of your relationship with God. Unfortunately this communication, called prayer, becomes too often a monologue rather than a dialogue. That's where Speed Bumps come in. God knows we need help in reversing this natural tendency to treat God like He solely exists to meet our needs and make us happy. Speed bumps are intended to help you re-establish or repair your relationship with Him. Your relationship with God can be restored. You can go much deeper. But you'll need to learn how to maneuver around the speed bumps God places before you. This book was written to help you do just that. Prayer and intimacy with God are essential elements in the life of the believer. Mike Landry communicates the importance of these elements through several well-known personalities in key passages of scripture. I agree with Mike that God wants you to spend time with Him, and when God speaks to you, He will engrave that time into your memory. By reading Speed Bumps and applying the biblical principles presented, you will grow in your prayer life...
