

What Japan Thinks (Classic Reprint)

Filesize: 8.51 MB

Reviews

It is an awesome ebook which i actually have at any time read through. It usually fails to charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Dario Murazik IV)

WHAT JAPAN THINKS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from What Japan Thinks The articles put together between these covers have been chosen by the editor with a view to presenting what may be called representative opinions of representative Japanese on the foremost questions of the world to-day, such as the Monroe Doctrine and the League of Nations, imperialism and liberalism, democracy and autocracy, militarism and navalism, armament and disarmament, race equality and race discrimination, the white peril and the yellow menace. The Japanese side of the Yap controversy is also fully presented. Of the fourteen articles composing this book all but two are culled from newspapers, magazines, and books published in Japan or China. Most of them were originally written in Japanese for Japanese publications, and were later translated into English for various English publications in the Orient. The value of these articles lies in the fact that they were, with a few exceptions, addressed primarily or exclusively to the Japanese. None of them was prepared especially for this book. They were not written for foreign consumption. Their respective authors had no eye upon the American or European gallery. They show just what the Japanese are talking among themselves on the vital problems of the world and their bearing upon Japan. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
