Fish and Wildlife Service, 2000 OCLC Number: (OCoLC)53056866 Subject: Flint Hills National Wildlife Refuge (Kan.) Excerpt: . . . Planning Perspectives This comprehensive planning effort would integrate three perspectives so that the management direction over the next 15 years would produce holistic management approaches for the Flint Hills NWR. The Plan includes: 1. A broad perspective for overall environmental contextual issues including endangered species, biological diversity, water issues, inter-jurisdictional cooperation, socio-economic considerations, etc. 2. A focused perspective for the System related policy issues which affect the Flint Hills NWR programs (compatibility, endangered species management, water rights, etc.). 3. A local perspective for Refuge related activities and strategies affecting management units (grasslands, endangered species, research, etc.). An understanding of these three perspectives and the relationship between them lead to the formulation of an integral set of Refuge goals and objectives for the next 15 years. Expected Planning Outcomes The planning effort should bring about the following outcomes which are all objectives of comprehensive conservation planning: 1. Ensure that management of Flint Hills NWR...
