When we are sad, we still cry like that little girl ; and ultimately we still want to be loved and dream big like that little girl. These lessons are lessons that you need to learn and embrace throughout your life so that no matter where you are, you can always love and learn a LESSON FOR THE LITTLE GIRL. inside of you. Ms. Jaime A. Gill wrote this book as a celebration of her childhood and an opportunity for other females to embrace their lives at every stage of development. Ultimately she dreams that this book will serve as a tool to create conversation between the generations. As she has served as a certified life coach and radio show co-host of the L.O.V.E. PERSPECTIVE (LIVES OF VISION AND EMPOWERMENT) she is able to combine her passions and experience to deliver a message that will inspire, educate, and enlighten. She is a sought after speaker that travels throughout the US leading workshops on sexual violence, women s issues, and empowerment. Jaime serves on the board of Awaken-Inc., Faith Ambassador for P.A.V.E (Promoting Awareness Victim Empowerment), and she also supports GEMS (Girls Educational Mentoring Services). These organizations are dedicated to providing awareness and prevention against sexual assault, domestic violence, and the exploitation and trafficking of women and girls. Jaime s name in French literally translates to love which is what she hopes to reflect to the world through her life s works.
