CONSUMER PSYCHOLOGY

Paperback. Book Condition: New. Not Signed; Qualitative consumer psychological research is central to understanding consumers and produces veracious consumer insights. However, no study guide format book exists that provides details of a course in qualitative consumer research. This book focuses upon newer techniques (e.g.: netnography) and implementations of traditional approaches (focus groups, in-depth interviews, etc.). Ethics are considered in the context of contemporary research approaches. This book coherently presents a course and assessment in qualitative consumer research. The book can...

Reviews

This written publication is wonderful. It really is simplified but unexpected situations inside the fifty percent in the pdf. You will not truly feel monotony at at any moment of the time (that's what catalogues are for about in the event you request me).
