WISE MEN AND A FOOL

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This collection of Essays on some literary men and women of our time is extremely agreeable reading for all to whom the subjects thereof are dear. We must deprecate Mr. Kernahan s modesty in assigning to himself the place he does in the title- the origin of which is a saying of Heine, Wise men think out new thoughts, and fools proclaim them. But, as the author explains in his prefatory apology, he is seeking a title that shall be remembered, and such words as Studies, Essays, Literature, and Criticism are used to exhaustion. His papers -all of which in some form or another have before appeared -are of rather unequal merit. The first, upon Robert Louis Stevenson, adds little that the true lover of Stevenson will find illuminating. Upon the subject of the second paper, Dr. George MacDonald - A Child of the Kingdom, as Mr. Kernahan calls him - he utters some sound and useful criticism. Few people, perhaps, now-a-days, read MacDonald s novels, but they have exercised a profound influence in their time as books of pure and poetical religious teaching. Strictly speaking says Mr. Kernahan, he is not a novelist at all. That he has written such successful novels as, for instance that noble book Robert Falconer, proves only his versatility as a man of letters. He can do anything with the point of a pen except keep to the point of a story. Take the plot out of this or that novel of the day, and what is left is scarce worth remembering. Do the same with one of Dr. MacDonald s novels, and, by most of us, the plot will not be...
