Economic Reforms in India Problems and Prospects

By Kh. Menjor Singh

Mittal Publications, New Delhi, 2001. N.A. Book Condition: New. Xx+203pp The book, Economic Reforms in India, traces neatly the background against which India adopted a three-pronged strategy of economic reforms comprising privatisation, liberalisation and globalisation. It has scanned microscopically the entire gamut of the current reforms process in India, and carefully delineated the arguments for and against the Reforms and, the revival of the market mechanism as the principal instrument of economic growth and development. The book also monitors very closely India's experience in the Reforms, and has explored the chunk areas where the Reforms have achieved some remarkable successes as also those where they have failed to see light of the day, thereby unearthing their myths and pitfalls. A striking feature of the book is that it has embarked well upon the global experience of economic reforms, and delves deeply into India's involvement as well as experience in the global environment of economic reforms. Another feature of importance in the book is the clear-cut delineation made of the State action vis-a-vis the market mechanism in an economy like ours which promises either partial or complete liberalisation. Furthermore, the book has explored explicitly the areas where State action and public...

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

-- **Audrey Lowe I**

It is fantastic and great. It is really simplified but unexpected situations from the 50 % in the ebook. I discovered this ebook from my dad and i suggested this book to learn.
