Cambridge University Press. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 9.0in. x 6.1in. x 0.8in. Migration is at the heart of Asian history. For centuries migrants have tracked the routes and seas of their ancestors - merchants, pilgrims, soldiers, and sailors - along the Silk Road and across the Indian Ocean and the China Sea. Over the last 150 years, however, migration within Asia and beyond has been greater than at any other time in history. Sunil S. Amrith's engaging and deeply informative book crosses a vast terrain, from the Middle East to India and China, tracing the history of modern migration against the background of empires, their dissolution, and the onset of modernity. Animated by the voices of Asian migrants, it tells the stories of those forced to flee from war and revolution, and those who left their homes and their families in search of a better life. These stories of Asian diasporas can be joyful or poignant, but they all speak of an engagement with new landscapes and new peoples. Migration has been central to making Asian societies as complex and diverse as they are today. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
