Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Land and Labour in a Deccan Village During the last few years there has been constantly increasing interest in the economic problems of rural India. That these are special in character, and not by any means analogous to those of many other countries is very obvious to those who have made even a superficial study of the question. As regards the Deccan, interest in the matter was quickened some years ago by the appearance of Keatinge's Rural Economy in the Bombay Deccan, a book which for the first time collected together and reviewed the available data with regard to the economic history and present economic position of the rural population of the western portion of the large central plateau of peninsular India. This book was in the highest sense stimulating. One felt, in reading it, that the author had raised a large number of questions which urgently demanded solution, and had pointed out the method of local close detailed study which alone could give the solution demanded. One felt, on the other hand, that...
