Excerpt: . . . all over the range as broncho busters, and they took to the hazardous trade of horse breaking as a steady business, usually working under contract, and busting horses at so much a head for all the big ranches having unbroken stock on hand. The name given this process of breaking is suggestive and not inaccurate. A horse was considered busted after he had been ridden two or three times under the hand of iron and the heel of steel. Out of such an ordeal the horse came with a temper perhaps ruined for life, and with a permanent grudge against all things human. It would really never be cured entirely of the habit of bucking, and was never absolutely safe unless ridden to the point of fatigue. Some of the best cow horses on a ranch will always buck when first mounted after a...
