Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Conditions Among the Poles in the United States I received a telegram signed General Churchill on August 15, 1918, requesting me to come to Washington to place at the disposal of the Military Intelligence Bureau any information in my possession on conditions among the Poles in this country. At various conferences held on August 17 and some days of the ensuing week I met Captains Uterhart and Dalrymple and Lieutenant Horgan. During these conferences it appeared that the information which I had to report covered a variety of the branches of service and also a number of matters that fell primarily within the province of the State Department. Accordingly, Major Hunt asked me to make out a written report of the whole situation. Two preliminary reports covering more urgent phases of the matter have been handed in, one on August 19, regarding the Detroit Convention, and another on August 23, on publicity for Polish affairs. It will be found necessary to traverse some of that material in the following report. In preparing this report it has been necessary to choose between such condensation as might fail to bring out the significance of the material and restatement of historical and other facts which are already familiar as matter of record. In view of the diversity and complexity of interests concerned, it has seemed better to err, if at all, in the direction of undue explanation.
