This is a true story about a coach that had a seventh grade student name Sam perform twenty naked push-ups over the floor drain in front of his entire gym class in the locker room. Sam from that point on would be teased and called the naked push-up boy everyone in the school that had heard about him having to do the naked push-ups in his gym class started calling him the perverted naked push-up boy. This name would follow him to this very day. After coming home and telling his father and I what happen we were both shocked and hurt that anyone would punish our child or any child with such a perverted and humiliating act, his father and I approached the school the next day hoping to have the coach punished by the school and to gain our sons dignity back by having the coach apologize to our son in front of his entire gym class saying that he had used bad judgment on Sam and that no other child would have to perform such an act again. Jim and I were shocked and angered even more when we found out the school was already aware that the coach enforced naked types of punishments on his students by complaints from other parents the schools Principal informed Jim and I that the coach was protected under the teachers union contract. I am writing my Sons Story because the Coach is protected under a Teachers Union Contract but what a bout a Contract that Protects my Son and his Rights to a Safe Education!
