AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 226 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Allow Deborah Baker-Receniello to guide you through an awakening experience, defeating limitations, and ultimately having everything you desire. Why It Works! Modus Operandi for Success, Health, Wealth, and Love is full of scientific principles to use powerfully and on purpose to shape your life. You will learn what consciousness, brain function, emotion, belief, quantum physics, and love have to do with you and the process to manifest everything you desire. Just imagine what it would be like! All things around us stick together in an invisible web by our belief in them; our internal self-talk about them, our investment in attention to them, and emotion. The moment you can see this clearly, everything becomes possible. Nothing outside of you can stop you. Deborah Baker-Receniello, Ph.D. has done a remarkable job of researching, integrating, making available and discussing a wide range of complex information across many disciplines and specialties. She shows how this mind/body connection operates, not only the physical level of our being, but also on our emotional, mental and spiritual levels. She easily connects the scientific field and a well-rounded understanding of philosophy, attitudes, feelings and spirituality in her discussion. . . .
